SUMMARY

- Full Stack .NET Developer with **3 years of experience** in developing scalable and secure web applications using **React js, ASP.NET Core, C#, SQL Server, Entity Framework Core, JavaScript, and REST APIs**.
- Experienced in building enterprise-level government applications with strong knowledge of **MVC Architecture, Database Optimization, Responsive UI Development, and API Integration**.
- Skilled in both **Front-End** and **Back-End Development** with hands-on experience in real-time production environments.
- Strong knowledge of **Agile Methodologies, Debugging, Performance Optimization, Git, and Software Development Best Practices**.

KEY SKILLS

- Front-End:** HTML5, CSS3, JavaScript, jQuery, Bootstrap, AJAX, React js.
- Back-End:** C#, ASP.NET Core, ASP.NET MVC, .NET Framework, Entity Framework Core, ADO.NET, REST APIs.
- Database:** SQL Server, Stored Procedures, Query Optimization.
- Tools & Version Control:** Git, Visual Studio, VS Code, SSMS.

EXPERIENCE

APTONLINE LIMITED (Joint Venture of TCS and Government of Andhra Pradesh and Telangana)

Vijayawada, India

Associate Software Engineer

Aug 2023 – Present

- Developed and maintained web applications using ASP.NET Core, C#, SQL Server, and Entity Framework Core following MVC architecture.
- Built and integrated RESTful APIs to streamline communication between frontend and backend systems.
- Developed responsive and user-friendly interfaces using HTML, CSS, JavaScript, and Bootstrap.
- Collaborated with development teams for feature implementation, bug fixing, testing, and deployment activities.

PROJECTS

Andhra Pradesh Commissionerate of Collegiate Education (APCCE)

Nov 2024 – Present

- Developed a centralized platform to manage government degree college operations.
- Implemented student and faculty management, attendance tracking, and timetable management modules.
- Developed reporting and performance monitoring functionalities.
- Improved operational efficiency through automation and centralized data management.
- Technologies / Tools / IDEs:** ASP.NET, .NET Framework, ADO.NET, SQL Server, JavaScript, jQuery, HTML, CSS, Visual Studio 2022

Andhra Pradesh Capital Region Development Authority (APCRDA)

Jul 2024 – Oct 2025

- Developed secure login and registration modules using OTP-based authentication.
- Worked on candidate registration, application preview, reporting, and print functionalities.
- Created responsive user interfaces using ASP.NET, jQuery, AJAX, and Bootstrap.
- Optimized SQL queries and stored procedures for improved performance.
- Technologies / Tools / IDEs:** ASP.NET Core MVC, Entity Framework Core, SQL Server, JavaScript, jQuery, AJAX, HTML, CSS, Bootstrap, Visual Studio 2022

APPCB (Andhra Pradesh Pollution Control Board)

Aug 2023 – April 2025

- Developed waste management modules for Healthcare, Plastic, Battery, Air, and Soil waste to monitor statewide pollution data.
- Built interactive dashboards and RESTful APIs for real-time monitoring and reporting.
- Integrated secure role-based authentication and optimized data collection for system performance.
- Implemented advanced jQuery Data Tables, AJAX-based file saving, and Excel export functionality.
- Technologies / Tools / IDEs:** C#, .NET Core, ASP.NET MVC, Entity Framework, SQL Server, JavaScript, jQuery, HTML, CSS, Visual Studio 2022

EDUCATION

Lendi Institute of Engineering and Technology (LIET)

Vizianagaram, Andhra Pradesh

Bachelor of Technology (B.Tech) in Computer Science Engineering (CSE)

2019 – 2023
